Core Membership Granted on: Date: _____

Membership form, version: <u>Feb 2026</u>

Get onto a communication channel

- ☐ Discord!
- ☐ Wiki account! (Request & ping #wiki channel / Sponsor: invite you by email)

Trash management

- ☐ Monday and Thursday nights, empty trash bins into bags, then into the large bins
- ☐ Prioritize putting food and drink waste into CLOSED bins and bags, keep the bin closed!
- ☐ Recycling should be loose. Only other plastic bags should be in bags.
- ☐ Put the large Recology bins out at the curb
- ☐ Replace the bin liners in all the trash cans in the space

Take care of the space

- ☐ Clean up after yourself; Put tools and equipment away
- ☐ Be vigilant about fire safety (Keep exits unblocked, don't leave equipment on)
- ☐ Don't treat Noisebridge like your home or personal storage.
- ☐ Please don't live here, don't sleep here, don't cook here.
- ☐ Don't depend on the space for your daily living activities.
- ☐ DO ask for social support help if you need it (housing, showers, food, etc)

Be thoughtful of other people

- ☐ Read, understand, and agree to the anti harassment policy at
  https://www.noisebridge.net/wiki/Anti-Harassment_Policy (AHP)
- ☐ Familiarize yourself with the community agreements
  - ● https://www.noisebridge.net/wiki/Community_Standards
  - ● https://www.noisebridge.net/wiki/Excellence
- ☐ Consider how you are representing Noisebridge to people who come in

Locking up

- ☐ If you are the last member/associate member in the space:
- ☐ Ask everyone in the space to leave/ help you do a pass through for safety
- ☐ Close windows and doors
- ☐ Check all rooms for equipment that was left on - unplug things like irons, soldering irons!
- ☐ It's ok to leave 3d printers printing overnight!
- ☐ Pull the #door-status lever to mark the space as closed

Answering the door, giving tours

- ☐ It's your decision whether to let people in or not
- ☐ it's good practice to answer the doorbell when you hear it
- ☐ Give new people a tour, explain the concepts of Noisebridge as a place to create, learn, teach, hack, invent, etc. Remember that some areas and machines require training prior to use, e.g. sewing machines, laser cutting, CNC, knitting machine, and table saw
